It's that time again! The Castro Street Fair 2015 is Sunday October 4 and we NEED YOU! Hartford Street Zen Center has been selected as a neighborhood beneficiary -- which means that your time volunteering is fun*draising for your temple. From your requests HSZC will not have our own gate this year. ALL sign-ups, for many different activities, must be made with the EventBrite link:

Please gather your fellow sangha members, family and friends to help us make this year's Castro Street Fair another success!

VOLUNTEER

Some items to note:

Those who register for a "Safety" volunteer role receive time and a half credit for their hours for HSZC. These shifts begin as early as 3 am on event day with varying shifts available throughout the event running as late as 9 pm. These allow flexibility for some volunteers to participate who may otherwise be unavailable during regular fair hours.

Volunteers for Castro Street Fair, especially those choosing "Entry Gates" are encouraged to view this brief training and informational video:
